EQUAL THESE VALUES IF YOU CAN

We don't believe it possible to equal them in this or any other city. It is our purpose in setting these sacrifice prices to make them the lowest ever quoted, as we are most concerned in ridding tables and cases of the remainder of all winter stocks. Costs are utterly disregarded. You can come here Monday, Tuesday or any other day during the week expecting almost twice as much for your money as you can get elsewhere, and when you see the fine garments that we are offering in this great sale, at less than cost of raw material, you'll admit that your highest expectations have been fulfilled. Read each item carefully. See window display.

ROCHESTER MAN LEAVES SUDDENLY, DEBTS BEHIND

ROCHESTER, Ind., Feb. 20.—Frank Hoxey, manager of a local branch store for Chute and Butter, Peru piano manufacturers, has left

this city suddenly, leaving behind him a string of debts amounting to \$500. Hoxey recently purchased an automobile of a local firm, giving a mortgage in part payment. This week he, in company with a well known local woman and another couple, Mr. and Mrs. Arthur Johnson, drove to Chicago, and Hoxey's failure to reappear

up to the present time, has started an investigation. The auto agency Friday received word from Chicago that he had attempted to sell the mortgaged car there, and the First National bank here Friday was compelled to return a check given at a town west of here for a new tire purchased on the joy

ride. It is said he has a wife and three children in Peru, his home. S. A. Bouslog, sales manager of the piano company, is here today and says that Hoxey's accounts will be adjusted.

ONE DEAD, ANOTHER DYING, AFTER QUARREL

INDIANAPOLIS, Feb. 20.—Marcelus Hollingsworth, 58 years old, a farmer of near Augusta, is dead and his son-in-law, Cassius C. Smith, is dying today as the result of a quarrel

which ended in Smith shooting Hollingsworth and then turning the revolver upon himself. It was said today that Smith objected to Hollingsworth's abuse of Mrs. Smith, his daughter, and that Smith accused his father-in-law of being unkind to Mrs. Smith whenever Hollingsworth was drinking.

"REMEMBER THE HORSES." During the cold weather give them good, warm bedding, tight barn, kind treatment, and blanket them when standing outside.
